

YOUR PARTNER IN ADVANCED MICROSOFT DYNAMICS 365 SOLUTIONS

As a trusted Microsoft Dynamics 365 partner, JRS Dynamics is proud to offer a suite of specialized ISVs designed to meet the diverse and complex needs of businesses across industries. Our solutions enhance functionality, streamline workflows, and deliver value-driven outcomes tailored to today's business demands -

Quality Management

Ensure product excellence with streamlined quality control and real-time insights into your production process. Minimize defects, maximize efficiency

Campus Management

Revolutionize education administration with our Campus Management solution, from admissions to alumni engagement

Purchase Requisition

Simplify and automate purchase requests, approvals, and tracking for smoother procurement processes and cost control

WhatsApp Integration

Connect seamlessly with customers through WhatsApp for instant communication, notifications, and service updates

Letter of Credit

Easily manage Letters of Credit with automated documentation and tracking, ensuring smooth international trade operations

E-INVOICE & E-WAY Bill Integration

Simplify compliance with GST requirements by automating e-invoicing and e-way bill generation and submission directly within Dynamics 365

Bank Guarantee

Facilitate financial security with tools to create, monitor, and manage Bank Guarantees, adding a layer of trust and reliability

Zatca KSA Integration

Comply with Saudi Arabia's Zakat, Tax, and Customs Authority (ZATCA) regulations with a solution built specifically for KSA market needs

HRMS

Optimize employee management with an integrated HRMS that covers payroll, attendance, performance, and more - all in one place.

Bank Integration

Automate banking operations with secure, efficient, and real-time bank integrations, empowering your finance team with accurate data

WHY CHOOSE US?

Our ISV solutions are crafted with industry-specific needs in mind, ensuring ease of integration and a seamless experience. By combining deep domain expertise with Microsoft's powerful Dynamics 365 ecosystem, we deliver solutions that empower businesses to thrive in a digital-first world.

- ✓ Each ISV solution is designed with industry-specific requirements to address real-world business challenges.
